

# Silvia Scheithauer

German

Diploma in Astrophysics at the University of Potsdam 2000

PhD in Space Engineering at the University of Bremen 2006

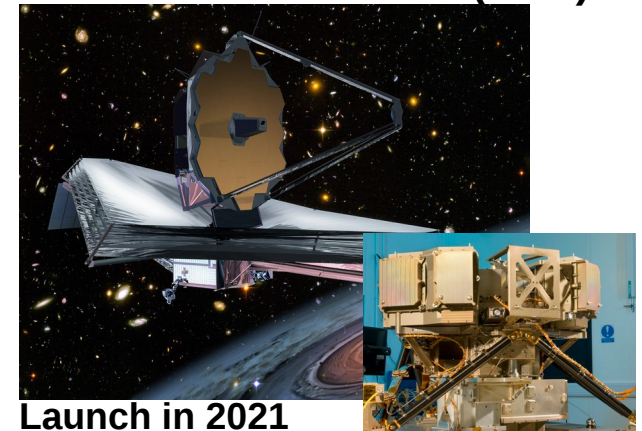

@ MPIA since December 2006 working on **infrared instrumentation** projects

**METIS instrument for E-ELT,  
ESO Cerro Armazones, 2025**

Imager and  
Adaptive Optics  
Control System  
designed and build  
at MPIA

**James Webb Space Telescope:  
Mid Infrared Instrument (MIRI)**

Launch in 2021

**Gravity instrument for VLTi,  
ESO Cerro Paranal**

four wavefront sensors  
for the UTs in 2016
